Ref.: E/INCB/114/C.L. 28/2010

The International Narcotics Control Board (INCB) has the honour to request the cooperation of the competent authorities of your Government in the following matter.

As you know, the floods that have struck Pakistan over the past weeks have left millions of people in need of humanitarian aid and medical care. An urgent demand for medicines containing controlled substances may arise as a result of relief efforts to provide emergency medical assistance to flood victims in Pakistan. The Board would like to request the cooperation of all Governments in facilitating the supply of controlled medicines to Pakistan to meet the needs of flood victims. Governments are requested to expedite administrative procedures for the export and transportation of controlled medicines required for emergency humanitarian assistance to Pakistan.

Competent authorities are invited to contact the Board, in case any assistance is required to facilitate the supply of controlled medicines to Pakistan.

The Board trusts that this matter will receive the prompt attention of your Government.

Vienna, 26 August 2010
