# NDS Programme Suite & I2ES

3<sup>rd</sup> I2ES User's Group Meeting

Context:

UNODC/EAC and INCB joint collaboration

# UNODC/EAC and INCB joint collaboration

2015

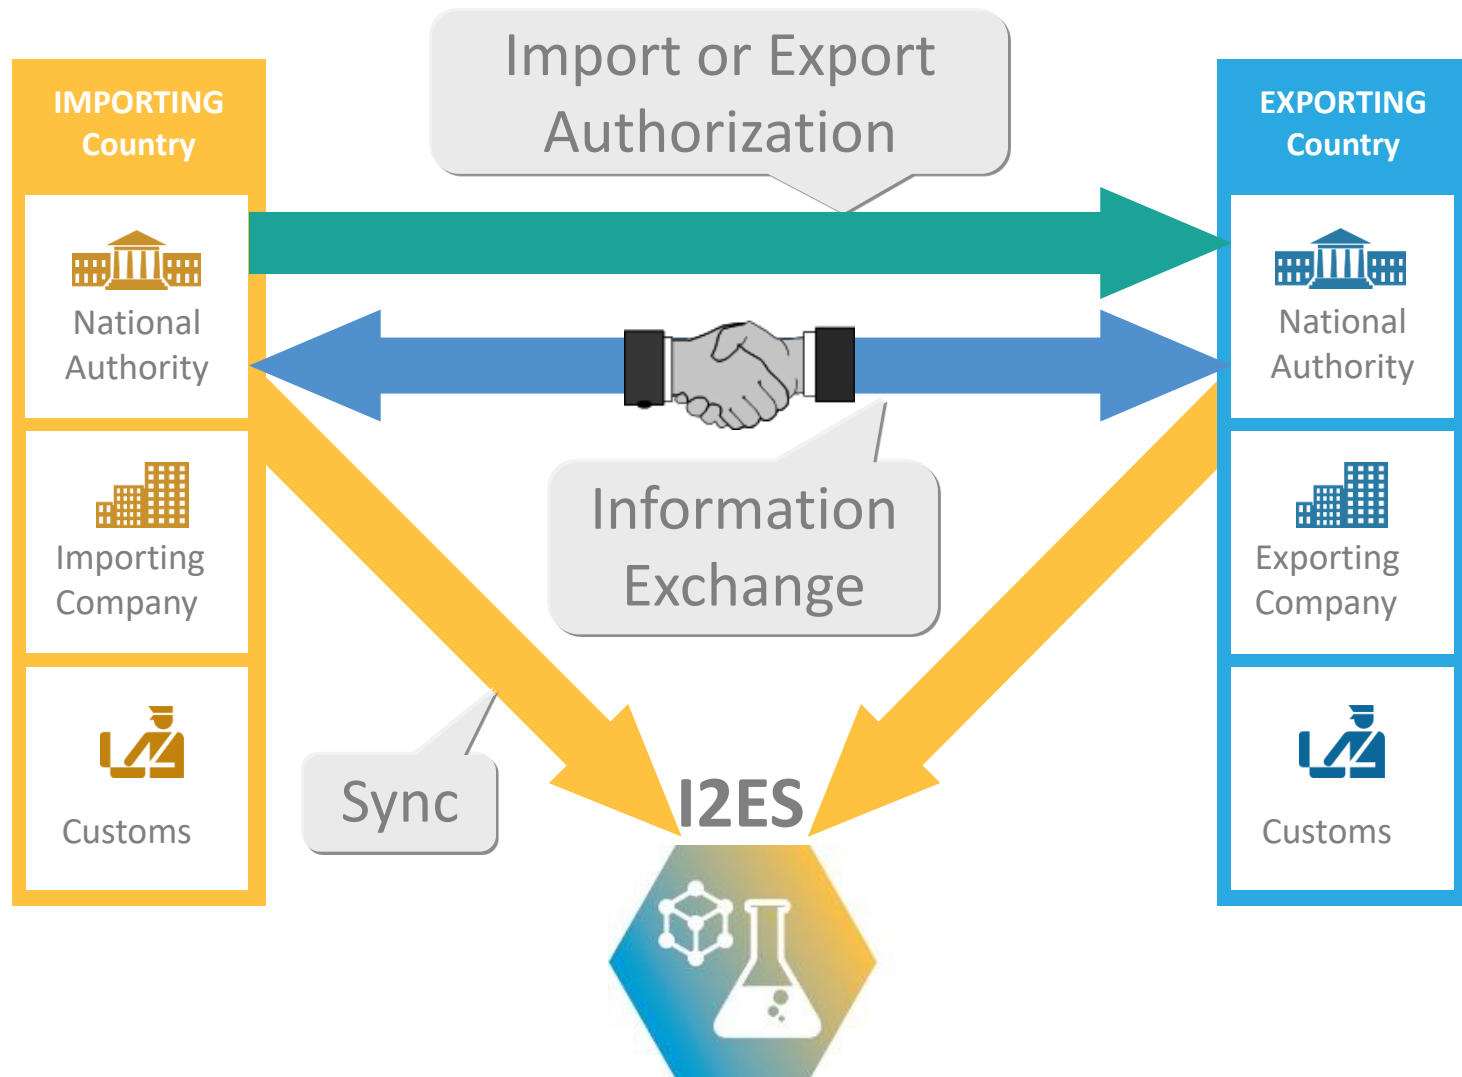

## **I2ES launch and go live:**

- Online Platform for data entry of INCB controlled Narcotics and Psychotropic substances.
- Issuance of Import and Export authorizations
- Record of Endorsements and confirmations of Shipments

# UNODC/EAC tools -- NDS Programme Suite

## 2015/2016 NDS7 and I2ES automated data exchange:

- Sponsored by Swissmedic
- Without additional effort to have import / export data transmitted automatically by schedule using secure web services.
- Automated data exchange solution for Member States with significant trade and an active agreement with the EAC.

## Other options for data upload in I2ES

# XML schemas

## Available for bulk upload of:

- Import/Export Authorizations
- Endorsements and confirmation of Exports

## Available for Member States with:

- National systems
- Medium and low trade

## Designed for Member States to:

- Developed by UNODC/EAC as alternate solution for countries and with the INCB standards.
- To work as a bridge between national systems and I2ES. It requires the assistance of the local IT experts.
