

Explanatory notes

The boundaries and names shown and the designations used on the maps appearing in this publication do not imply official endorsement or acceptance by the United Nations. The dotted line represents approximately the Line of Control in Jammu and Kashmir agreed upon by India and Pakistan. The final status of Jammu and Kashmir has not yet been agreed upon by the parties.

Map designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of the Secretariat of the United Nations concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries.

Countries, territories and areas are referred to by the names that were in official use at the time the relevant data were collected.

Multiple Government sources of data were used to generate the present report, including the annual information provided on substances frequently used in the illicit manufacture of narcotic drugs and psychotropic substances (form D), notifications via the Board's Pre-Export Notification (PEN) Online system and other official communications with competent national authorities. Unless otherwise specified, form D data are reported by the calendar year, with a reporting cut-off date of 30 June of the following year. The reporting period for data from the PEN Online system is from 1 November 2010 to 31 October 2011. In cases in which PEN Online data are used for multiple years, calendar years are used. Additional information was also provided through international and regional organizations, as indicated in the report.

Reference to "tons" is to metric tons, unless otherwise stated.
