| Foreword | iii |
| Preface | v |
| Explanatory notes | ix |
| <i>Chapter</i> | |
| I. Introduction | 1 |
| II. Action taken by Governments and the International Narcotics Control Board | 1 |
| A. Adherence to the 1988 Convention | 1 |
| B. Reporting to the Board pursuant to article 12 of the 1988 Convention | 1 |
| C. Legislation and control measures | 2 |
| D. Submission of data on licit trade in, uses of and requirements for precursors | 3 |
| E. Annual legitimate requirements for imports of precursors of amphetamine-type stimulants | 3 |
| F. Pre-export notifications and utilization of the Pre-Export Notification Online system | 5 |
| G. Activities and achievements in international precursor control | 8 |
| III. Extent of licit trade in precursors and the latest trends in precursor trafficking | 12 |
| A. Substances used in the illicit manufacture of amphetamine-type stimulants | 12 |
| B. Substances used in the illicit manufacture of cocaine | 21 |
| C. Acids and solvents in Table II of the 1988 Convention that are used in the illicit manufacture of narcotic drugs and psychotropic substances | 24 |
| D. Substances used in the illicit manufacture of heroin | 24 |
| E. Substances used in the illicit manufacture of other narcotic drugs and psychotropic substances | 27 |
| F. Substances not in Table I or II of the 1988 Convention that are used in the illicit manufacture of other narcotic drugs and psychotropic substances, precursors under international control or substances of abuse not under international control | 28 |
| IV. Public-private partnerships: their merits and potential in preventing the diversion of chemicals | 29 |
| V. Conclusions | 31 |
| Glossary | 33 |
| <i>Annexes*</i> | |
| I. Parties and non-parties to the 1988 Convention, by region, as at 1 November 2015 | 37 |

* The annexes are not included in the printed version of the present report but are available in the CD-ROM version and in the version on the website of the International Narcotics Control Board (www.incb.org).

| | | |
|-------|--|-----|
| II. | Annual legitimate requirements for ephedrine, pseudoephedrine, 3,4-methylenedioxyphenyl-2-propanone and 1-phenyl-2-propanone, substances frequently used in the manufacture of amphetamine-type stimulants | 43 |
| III. | Substances in Tables I and II of the 1988 Convention | 49 |
| IV. | Use of scheduled substances in the illicit manufacture of narcotic drugs and psychotropic substances. | 50 |
| V. | Treaty provisions for the control of substances frequently used in the illicit manufacture of narcotic drugs and psychotropic substances | 54 |
| VI. | Regional groupings. | 55 |
| VII. | Submission of information by Governments pursuant to article 12 of the 1988 Convention (form D) for the years 2010-2014. | 56 |
| VIII. | Seizures of substances in Tables I and II of the 1988 Convention, as reported to the International Narcotics Control Board, 2010-2014 | 61 |
| IX. | Submission of information by Governments on licit trade in, uses of and requirements for substances in Tables I and II of the 1988 Convention for the years 2010-2014 | 90 |
| X. | Governments that have requested pre-export notifications pursuant to article 12, paragraph 10 (a), of the 1988 Convention | 97 |
| XI. | Licit uses of the substances in Tables I and II of the 1988 Convention | 101 |

Figures

| | | |
|------|--|----|
| I. | Number of Governments providing estimates of annual legitimate requirements and total number of estimates provided, 2006-2015 | 4 |
| II. | Number of countries and territories authorized to access the Pre-Export Notification Online system and number of pre-export notifications per month, 2006-2015 | 7 |
| III. | Number of illicit laboratories dismantled in the Plurinational State of Bolivia, by type of laboratory, 2004-2014. | 23 |
| IV. | Proportion of incidents communicated via the Precursors Incident Communication System and involving substances in Table II of the 1988 Convention, by quarter, 2012-2015 | 24 |
| V. | Seizures of acetic anhydride reported on form D by Afghanistan and other countries in West Asia, 2006-2014. | 25 |
| VI. | Price of acetic anhydride on the black market in Afghanistan, 2006-2015. | 26 |

Maps

| | | |
|----|---|----|
| 1. | Governments that have registered with the Pre-Export Notification Online system and those that have invoked article 12, paragraph 10 (a), of the 1988 Convention, requiring pre-export notification for selected substances (as at 1 November 2015) | 6 |
| 2. | Governments that have registered with and used the Precursors Incident Communication System (as at 1 November 2015) | 11 |

Boxes

| | | |
|----|---|----|
| 1. | Minimum action for international trade monitoring through the Pre-Export Notification Online system | 8 |
| 2. | Minimum action for international cooperation under Project Prism and Project Cohesion | 9 |
| 3. | Minimum action for sharing information about precursor incidents through the Precursors Incident Communication System | 11 |
