Foreword .....	iii
Preface .....	v
Explanatory notes .....	xi
Summary .....	xiii
<i>Chapter</i>	
I. Introduction .....	1
II. Action taken by Governments and the International Narcotics Control Board .....	1
A. Scope of control .....	1
B. Adherence to the 1988 Convention .....	2
C. Reporting to the Board pursuant to article 12 of the 1988 Convention .....	2
D. Legislation and control measures .....	3
E. Submission of data on licit trade in, uses of and requirements for precursors .....	8
F. Annual legitimate requirements for imports of precursors of amphetamine-type stimulants ...	8
G. Pre-export notifications and utilization of the Pre-Export Notification Online and Pre-Export . Notification Online Light systems .....	9
H. Other activities and achievements in international precursor control .....	12
III. Extent of licit trade and latest trends in trafficking in precursors .....	15
A. Substances used in the illicit manufacture of amphetamine-type stimulants .....	16
B. Substances used in the illicit manufacture of cocaine .....	29
C. Substances used in the illicit manufacture of heroin .....	31
D. Substances used in the illicit manufacture of other narcotic drugs and psychotropic substances	33
E. Substances not listed in Table I or Table II of the 1988 Convention that are used in the illicit manufacture of other narcotic drugs and psychotropic substances or substances of abuse not under international control .....	35
IV. Implications of conflict and unresolved territorial disputes for precursor control .....	37
V. Conclusions and recommendations .....	42
Glossary .....	45
<i>Annexes*</i>	
I. Parties and non-parties to the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances of 1988, by region, as at 1 November 2023 .....	47
II. Submission of information by Governments, pursuant to article 12 of the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances of 1988, on form D for the years 2018–2022 .....	52
III. Seizures of substances in Tables I and II of the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances of 1988, as reported to the International Narcotics Control Board, 2018–2022 .....	58

\*The annexes are not included in the printed version of the present report but are available on the website of the International Narcotics Control Board ([www.incb.org](http://www.incb.org)).

IV.	Submission of information by Governments on licit trade in, legitimate uses of and requirements for substances in Tables I and II of the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances of 1988 for the years 2018–2022 .....	59
V.	Annual legitimate requirements for ephedrine, pseudoephedrine, 3,4-methylenedioxyphenyl-2-propanone and 1-phenyl-2-propanone; substances frequently used in the manufacture of amphetamine-type stimulants .....	66
VI.	Governments that have requested pre-export notifications pursuant to article 12, paragraph 10 (a), of the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances of 1988 .....	67
VII.	Substances in Tables I and II of the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances of 1988 .....	72
VIII.	Use of scheduled substances in the illicit manufacture of narcotic drugs and psychotropic substances .....	73
IX.	Licit uses of the substances in Tables I and II of the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances of 1988 .....	78
X.	Treaty provisions for the control of substances frequently used in the illicit manufacture of narcotic drugs and psychotropic substances .....	80
XI.	Regional groupings .....	81

## Figures

1.	Governments that responded to the survey on national drug precursor legislation and domestic controls, by region .....	4
2.	Number of Governments providing estimates of annual legitimate requirements, 2013–2023 .....	8
3.	Governments that have invoked article 12, paragraph 10 (a), of the 1988 Convention, by region, in descending order (as at 1 November 2023) .....	10
4.	Number of pre-export notifications received and viewed, by region, 1 November 2022–1 November 2023 .....	11
5.	Destination of pre-export notifications submitted through the PEN Online Light system, by region, 17 October 2022–1 November 2023 .....	11
6.	Seizures of ephedrine and pseudoephedrine, as reported by Governments on form D, and of methamphetamine, as reported on the United Nations Office on Drugs and Crime annual report questionnaire, 2013–2022 .....	17
7.	Seizures of pseudoephedrine preparations, as reported by Governments on form D, 2018–2022 ...	17
8.	Seizures of phenylacetic acid, as reported by Governments on form D, and number of countries reporting seizures, 2012–2022 .....	21
9.	Incidents involving APAAN, APAA, MAPA and P-2-P methyl glycidic acid derivatives communicated through PICS, 2012–2023 .....	22
10.	Seizures of P-2-P methyl glycidic acid derivatives, as reported by Governments on form D, 2012–2022 .....	22

11.	Incidents involving P-2-P methyl glycidic acid derivatives communicated through PICS, 2012–2023 .....	23
12.	Seizures of sodium and potassium cyanide, as reported by Governments on form D, 2014–2022 ...	24
13.	Incidents involving 3,4-MDP-2-P and internationally controlled and non-controlled derivatives of 3,4-MDP-2-P methyl glycidic acid communicated through PICS, 2014–2023 .....	25
14.	Seizures of tartaric acid reported by Governments on form D, by region, 2013–2022 .....	28
15.	Seizures of potassium permanganate, as reported by Governments on form D, 2013–2022 .....	29
16.	Seizures of urea, as reported by Governments on form D, 2013–2022 .....	31
17.	Seizures of acetic anhydride, as reported by Governments on form D, 2001–2022 .....	32
18.	Seizures of acetic anhydride, as reported by the Government of Afghanistan on form D, 2008–2020 ...	32
19.	Proposed exports of NPP, pre-notified by exporting Governments through the PEN Online system, 2018–2022 .....	33
20.	Seizures of fentanyl precursors, as reported by Governments on form D, 2016–2022 .....	34
21.	Seizures of fentanyl precursors, as reported by the United States on form D, 2016–2022 .....	34
22.	Incidents communicated through PICS involving fentanyl precursors, 2015–2023 <sup>a</sup> .....	35
23.	Proposed shipments of pseudoephedrine (raw material and preparations combined) to Yemen notified by exporting countries through the PEN Online system, 2014–2023 .....	38
24.	Level of utilization of the PEN Online system, by region, 2022 .....	39
25.	Total number of pre-export notifications sent to the Syrian Arab Republic, per year, 2006–2023 ...	40

## Box

Use of pharmaceutical preparations containing ephedrine in illicit methamphetamine manufacture in Europe .....	19
----------------------------------------------------------------------------------------------------------------	----

## Maps

1. Status of submissions by Governments of form D for 2022 containing information concerning seizures of substances listed in Table I or Table II of the 1988 Convention and seizures of substances not listed in Table I or Table II, as at 1 November 2023 .....	3
2. Governments reporting seizures of substances not listed in Table I or Table II of the 1988 Convention on form D and through PICS, 2019–2023 .....	7

## Tables

1. States parties failing to report as required under article 12, paragraph 12, of the 1988 Convention, 2022 .....	2
2. The 10 countries with the largest proposed imports of ephedrine and pseudoephedrine, in all forms, by volume, 1 November 2022–1 November 2023 .....	16
