Dear Sirs,

Reference is made to your circulars Ref. E/INCB/PSY/C.L. 8/2005 requesting information on all relevant specific legal or administrative measures adopted to allow travelers leaving/entering the country to carry medical preparations containing controlled substances for personal use.

In this connection, we would like to inform you that Proclamation 36/93, A Proclamation to Control Drugs and Medical Supplies in Eritrea, Article 88 sub articles 1 and 2 states as follows:

Article 88

1. No person in accordance with this proclamation shall grow, import, export, manufacture, possess, store, trade, circulate from place to place, distribute, advertise, or prescribe narcotic and/or psychotropic drug unless he shall first have obtained a permit therefore from the Department.
2. No person shall use narcotic and psychotropic drugs unless they are prescribed for him by a medical practitioner who is licensed to prescribe.

Therefore, all travelers leaving/entering the country carrying with them medical prescriptions for personal use containing controlled substances should have a valid prescription with them or get a permit from the Department of Regulatory Services, Ministry of Health.

Best regards

Asgedom Mosazghi  
Director, Medicines Control Division
