Foreword .....	iii
Preface .....	v
Explanatory notes .....	xi
Summary .....	xiii
<i>Chapter</i>	
I. Introduction .....	1
II. Action taken by Governments and the International Narcotics Control Board .....	1
A. Scope of control .....	1
B. Adherence to the 1988 Convention .....	2
C. Reporting to the Board pursuant to article 12 of the 1988 Convention .....	2
D. Legislation and control measures .....	3
E. Submission of data on licit trade in, uses of and requirements for precursors .....	7
F. Annual legitimate requirements for imports of precursors of amphetamine-type stimulants ...	7
G. Pre-export notifications and utilization of the Pre-Export Notification Online system .....	8
H. Other activities and achievements in international precursor control .....	10
III. Extent of licit trade and latest trends in trafficking in precursors .....	14
A. Substances used in the illicit manufacture of amphetamine-type stimulants .....	15
B. Substances used in the illicit manufacture of cocaine .....	24
C. Substances used in the illicit manufacture of heroin .....	27
D. Substances used in the illicit manufacture of other narcotic drugs and psychotropic substances ..	31
E. Substances not listed in Table I or Table II of the 1988 Convention that are used in the illicit manufacture of other narcotic drugs and psychotropic substances or substances of abuse not under international control .....	32
IV. Domestic controls: the extent of utilization of the provisions of article 12, paragraph 8, of the 1988 Convention .....	33
V. Conclusions and recommendations .....	37
Glossary .....	41
<i>Annexes*</i>	
I. Parties and non-parties to the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances of 1988, by region, as at 1 November 2021 .....	43
II. Submission of information by Governments pursuant to article 12 of the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances of 1988 (form D) for the period 2016–2020 .....	48
III. Seizures of substances in Tables I and II of the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances of 1988, as reported to the International Narcotics Control Board, 2016–2020 .....	54

\*The annexes are not included in the printed version of the present report but are available on the website of the International Narcotics Control Board ([www.incb.org](http://www.incb.org)).

IV.	Submission of information by Governments on licit trade in, legitimate uses of and requirements for substances in Tables I and II of the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances of 1988 for the years 2016–2020 .....	55
V.	Annual legitimate requirements for ephedrine, pseudoephedrine, 3,4-methylenedioxyphenyl-2-propanone and 1-phenyl-2-propanone; substances frequently used in the manufacture of amphetamine-type stimulants .....	62
VI.	Governments that have requested pre-export notifications pursuant to article 12, subparagraph 10 (a), of the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances of 1988 .....	63
VII.	Substances in Tables I and II of the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances of 1988 .....	68
VIII.	Use of scheduled substances in the illicit manufacture of narcotic drugs and psychotropic substances ..	69
IX.	Licit uses of the substances in Tables I and II of the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances of 1988 .....	73
X.	Treaty provisions for the control of substances frequently used in the illicit manufacture of narcotic drugs and psychotropic substances .....	75
XI.	Regional groupings .....	76

## Figures

I.	Incidents involving selected designer precursors of P-2-P communicated through PICS, 2012–2021 ..	6
II.	Proportion of countries that had not yet provided any estimated annual legitimate requirements for precursors of amphetamine-type stimulants to INCB as at 1 November 2021, by region .....	8
III.	Use of PICS by region, as a percentage of the countries in each region that had registered PICS users, as at 1 November 2021 .....	11
IV.	Seizures of ephedrine and pseudoephedrine, as reported by Governments on form D, 2011–2020 ....	16
V.	Seizures of ephedrine and pseudoephedrine, as reported by Governments in North America, 2014–2020 .....	18
VI.	Seizures of tartaric acid, as reported by Governments in selected regions on form D, 2009–2020 .....	22
VII.	Incidents involving 3,4-MDP-2-P methyl glycidic acid derivatives communicated through PICS, 2013–2021 .....	22
VIII.	Seizures of potassium permanganate, as reported by Governments on form D, 2011–2020 .....	25
IX.	Seizures of potassium manganate and manganese dioxide reported by Colombia on form D, and potassium permanganate laboratories dismantled in Colombia, 2003–2020 .....	25
X.	Seizures of calcium chloride, as reported by Governments in South America on form D, 2011–2020 .....	26
XI.	Proportion of seizures of solvents used for illicit cocaine processing, as reported by Governments in South America, 2016–2020 .....	26
XII.	Seizures of acetic anhydride, as reported by Governments on form D, 2011–2020 .....	28

XIII.	Seizures of acetic anhydride, as reported by European Union member States on form D, 2011–2020 . . . .	29
XIV.	Seizures of acetyl chloride in Afghanistan, Iran (Islamic Republic of) and the United Arab Emirates, as reported on form D and communicated through PICS, 2017–2021 . . . . .	30
XV.	Proposed exports of the two fentanyl precursors, pre-notified by exporting Governments through the PEN Online system, 2018–2020 . . . . .	32
XVI.	Seizures of three precursors of three synthetic cathinones, as reported by Governments on form D, 2015–2020 . . . . .	33
XVII.	Governments that responded to the survey on national drug precursor legislation and domestic controls, by region . . . . .	34
XVIII.	Number of internationally non-scheduled chemicals under national control, as reported by responding Governments . . . . .	36

#### Boxes

1.	Tip: where and how to access information on precursor-related legislation and control measures . .	4
----	--	---

#### Maps

1.	Status of submissions by Governments of form D for 2020 containing information concerning seizures of substances listed in Table I and Table II of the 1988 Convention and seizures of substances not listed in Table I and Table II, as at 1 November 2021 . . . . .	3
2.	Governments reporting seizures of substances not listed in Table I or Table II of the 1988 Convention on form D and through PICS, 2018–2021 . . . . .	5
3.	Use of the PEN Online system, as a percentage of the pre-export notifications viewed, 2020 . . . . .	9

#### Tables

1.	States parties failing to report as required under article 12, paragraph 12, of the 1988 Convention, 2020 . . . . .	2
2.	The countries with the largest estimated annual legitimate requirements for ephedrine and pseudoephedrine, as at 1 November 2021 . . . . .	8
3.	The 10 countries with the largest imports of ephedrine and pseudoephedrine, by volume, 1 November 2020–1 November 2021 . . . . .	15
4.	Specific control measures applicable to domestic trade, distribution and use . . . . .	35
